

QUALITY POLICY

INDUSTRIAS JACINTO HERRERO, S.L., we are a company dedicated to metal processing, cold stamping, pipe forming, flexible production, mecano-welding works and design and die construction.

MISSION

We are a **BIG FAMILY** in the pursuit of **EXCELLENCE** through COMMITMENT, TALENT and FLEXIBILITY.

VISION

We want to be recognized as your **BEST COLLABORATOR** for the outsourcing of metal components of major brands, thus contributing to achieve their goals.

VALUES

COMMITMENT with the needs and the quality of service expected by our customers; respecting the principle of responsibility with all those which help to us to achieve it (staff, suppliers, society and environmental) in compliance with legal requirements and customer standards.

TALENT MANAGEMENT of our team, it is our main competitive advantage. In keeping them motivated with a quality continuous training and making it easier day-to-day, and promoting innovation, versatility and the continuous improvement of the company; as well as to take care of our know-how acquired in our more than 50 years of experience in our industry.

FLEXIBILITY thanks to the bet on new technologies and the different production processes, which give to our products a differential added value. Through a global supply solution, we achieve an integral management of these processes: prototypes + industrialization + serial production.
